### ABOUT TRITON

Triton Global Business Services is a recognized leader in the provision of network services, payment, billing, clearing, settlement, customer care and information management functions to the digital merchant and telecommunications industry.

The company and its affiliates – Fastrack Networks and GreyWolf Entertainment create turnkey solutions for digital merchants and media companies who require innovative telephony payment options (fixed or mobile) as part of their business model.

Triton's Express Connect brand is a global payment web widget system that allows web merchants and web masters a unique tool to access the vast potential of 5.9 billion telephone subscribers users (fixed and mobile) worldwide.

### TRITON'S BUSINESS FOCUSES:

- Global Payments (provisioning, billing , clearing and support) by Fixed or Mobile phone
- Global Premium Network Service Provisioning
- Global Web Widgets providing Web Merchants and Web Masters with the most innovative web monetization tool in the industry
- Turnkey solutions and mass calling platforms for multimedia such as Reality TV and Charity or Fundraising Events.
- Professional Web Marketing Services that drive qualified and motivated web traffic.

***Our business is your call!***
